**BELLBRAE ESTATE** Est: 1999

520 Great Ocean Road Bellbrae Vic 3228

*Tutored tasting by Cellar Door Manager Andrew Nurse*

Bellbrae Estate, the only vineyard on the stunning Great Ocean Road, is five minutes from the famous Bells Beach. Originally planted to grapes around 150 years ago by Swiss settlers. For most

of the 20th century, however, the land had reverted to grazing but the wonderful climate and the enticing north facing slopes led to planting the first vineyards here for over 100 years – better late than never!

Their flagship Bellbrae Estate wines are the pinnacle of their releases. They are wonderfully drinkable now but are all made to benefit from further cellaring.

The Longboard range of wines are a true expression of the region with their exuberant flavours and are a great match for the local produce. Made more to drink now, they are all bursting with freshness and taste, perfect for the relaxed lifestyle we love here on the Surf Coast.
