

The Oaks Grill, Kyneton

Parking information

The entrance to the restaurant from the street requires climbing a number of steps. If that presents a problem, you may park on the grounds of the neighbouring St. Paul's Anglican Church, which is on the same level as the restaurant entrance. Enter from Powlett Street.

There should be plenty of street parking in Piper Street and Powlett Street. However, if it is in short supply, you may park on the grounds of the Church.
